Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Tuesday 09 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy, damp start then mainly dry with sunny spells developing.

Today:
Cloudy start but the last of the overnight rain soon dying out. Then a mainly dry, bright day with sunny spells and just a few light showers this afternoon. Maximum temperature 13 deg C (55 deg F).

Tonight:
Mainly dry with clear periods and just a few light showers towards the North Coast. It will be a colder night with light southwesterly winds. Minimum temperature 4 deg C (39 deg F).

Wednesday:
Most places will have a dry day with sunny spells. Just an isolated light shower in the afternoon. A cooler day with light southwesterly winds. Maximum temperature 11 deg C (52 deg F).

Outlook for Thursday to Saturday:
Mainly dry, bright on Thursday, then wet and windy on Thursday night, risk of gales. Drier, brighter weather will follow during Friday, continuing on Saturday with winds easing.
